BIOGRAPHY

Philip Punzo also known as DJ Punzo, Is an Italian-American DJ, Remixer & Video DJ straight out of South Philadelphia. No stranger to the DJ/Nightlife scene, Punzo has been DJing since 2003. He has become fully immersed in everything music and is Fulfilling His Love for the DJ Life: the Music, the Crowd & the Mixing. At the age of 16, He started to take his hobby professionally and started to remix.

In 2003, DJ Punzo and a few other DJ's created a Remix Service called "Digitraxx Remix". They distributed over 100's of issues to the DJ's and music lovers all over the Internet. Digitraxx Became a very popular, sadly missed, and most talked about Underground Remix Service by many.

In 2006 he joined the "Drama Squad DJ's" made up of DJs from different areas. The crew consist of DJ Biggie, Detoto, DJ Shawn Saga, DJ N9ne, DJ Sugashane, Joey Dino, and DJ Pauly D, Just to name a few.

That same year, DJ Punzo was also a remixer for Select Mix/Hot Tracks Remix Service and Is currently still making edits with them today. Punzo's most popular edit he has created is a blend of Alice DeeJay's smash hit "Better Off Alone" and Timbaland's song 'The Way I Are' which DJ Punzo named "Better Off The Way I Are". This blend became internet famous on YouTube, featured on DDR "Dance, Dance Revolution" Video Game, and played by many DJ's and Radio Stations. DJ Punzo also created mixes with the World-famous DJ Beatbreaker on Crooklyn Clan's Website. In 2020, DJ Punzo took the top spot on Hollywood Hamilton's Remix Top 30 Radio Show sitting at #1 for 4 Weeks in a Row with his edit of Mood by 24kgoldn and Iann Dior. This edit was also supported by Loud Luxury.

In 2007, Punzo, Along With Rocco created "Nocturnal USA", a late-night Radio Show in Philly, which was aired every Friday Night, just as the clubs were closing on WIOG Q102, a Philly Radio Station. The duo would pump the airwaves with high energy beats of Dance, Electro House & Trance. During this time, DJ Punzo was a resident DJ on the first floor at Club 27 on Bank Street in Philly. He worked at many other Nightclubs & Bars throughout the city including Bamboo Bar, Benny the Bums, Cebu, Top Dog, South Philly Bar & Grill and the Loft.

In 2009, DJ Punzo took a big residency spot at Chickie's and Pete's Inside Parx Casino in Bensalem, PA. Today, he still holds a residency at this major establishment and plays music at all the locations they have to offer, the Tropicana Casino in Atlantic City, South Philadelphia, Drexel Hill, Audubon, Warrington, Glassboro, and currently playing in Marlton, New Jersey every Friday and Saturday.

When DJ Punzo is not djing at Chickies, he is the music director & mixshow DJ for Radio Danz, the Worlds Purest Dance Channel Based in Miami FL and the Program & Music Director for EQ Radio.

Today, He still mixes Nocturnal but changed the name to "Nocturnal Vibes" which airs on Radio Danz, EQ Radio and archived on Mixcloud, Apple Podcasts, Soundcloud, and iHeart Radio.

Keep up to date with DJ Punzo Mixshows & Edits supported by Frank Walker, Loud Luxury, StoneBridge, Afrojack and More.
